No one ever disputed that the deserts of the American West were treacherous for the wandering man. Hot and desolate conditions give a home to many dangerous creatures, including one elusive beast which no traveler had ever laid eyes upon until the night Drake Byrne passed through with his family. Their encounter becomes a gruesome attack that rips the Byrnes apart, expected never to reunite. Now, five years later, Drake's search finally comes to an end when he stumbles upon the unique town of Dillmore Valley. Hidden in the hills, the walls that protect the populace, and its secrets, quickly become their prison when the cunning creature that has been shadowing Drake terrorizes the town and feeds on the blood of anything that poses a threat.
