Celtic Spirituality for the Modern World The world of the long-ago Celts appeals to many of us in the twenty-first century. Whether we are looking to find our cultural heritage or are seeking an alternative to worn and restrictive religious forms, the earth-centered, woman-friendly, inclusive faith of the Christian Celts offers us a deep-rooted alternative approach to traditional Christianity. The Celts experienced "thin places," where they sensed the supernatural world; they honored their poets, singers, and artists; and they passionately followed the Christ of the Gospels. Theirs was a church without walls, which lived naturally and comfortably within the community. Ray Simpson has spent most of his life walking in the footsteps of the Christian Celts, and now he allows us to experience for ourselves their dynamic spirituality.
