Endangered Species Lori Grosser Rhoden

Lori Grosser Rhoden was born and raised in Salina, Kansas which is a relatively small community and she has spent most of her life living in small rural communities near Salina. The solitude and experiences have shaped the look, feel and flavor of her poetry. Lori feels her poems are outside the sphere of what may be considered traditional poetry and people who are not poetry lovers by nature find that her poems are an unexpected surprise. This collection of poems is told through the seasons, capturing a year's worth of Kansas country living.
