Only the Ring Was Square

Teddy Brenner

Only the Ring Was Square Teddy Brenner

From dust jacket notes: "...Sugar Ray Robinson, Joe Louis, Sonny Liston, Joe Frazier, Muhammad Ali. Teddy Brenner has known them all. He has seen - and often helped - every top fighter of recent memory come up through the ranks. As Madison Square Garden's matchmaker for an unprecedented twenty years, Brenner knows the entire exciting, dirty game of boxing as well as anyone can know a sport. He is a boxing man through and through. Now, in ONLY THE RING WAS SQUARE, Brenner tells the complete story of modern boxing as only a lifelong insider can. In the inimitable argot of the gymnasium, dressing room, and ring he illuminates a lifetime of struggles and triumphs in the sport - and business - of boxing....Conveying the same excitement as the popular films Rocky and Raging Bull, Brenner tells dozens of colorful, revealing stories about the all-time great boxing figures - and some of the not-so-great behind-the-scenes figures. Brenner knows the seamy side of the sport: the mobsters; the sleazy propositions; the fighters who went into the tank; and those who refused to take a dive; and he tells the inside story on what a dishonest game boxing can be. Yet Brenner knows there is nothing more exciting than two equally matched fighters climbing into the ring and ONLY THE RING WAS SQUARE vividly brings to life the high pressure and unparalleled thrill of these great matches...."

From reader reviews:

Regina Noble:

With other case, little folks like to read book Only the Ring Was Square. You can choose the best book if you love reading a book. As long as we know about how is important any book Only the Ring Was Square. You can add information and of course you can around the world by the book. Absolutely right, simply because from book you can realize everything! From your country until finally foreign or abroad you will end up known. About simple thing until wonderful thing you could know that. In this era, we can easily open a book or searching by internet gadget. It is called e-book. You can use it when you feel uninterested to go to the library. Let's study.

Brenda Robert:

Book is usually written, printed, or highlighted for everything. You can recognize everything you want by a e-book. Book has a different type. To be sure that book is important factor to bring us around the world. Next to that you can your reading ability was fluently. A e-book Only the Ring Was Square will make you to be smarter. You can feel far more confidence if you can know about everything. But some of you think in which open or reading a book make you bored. It is not make you fun. Why they may be thought like that? Have you looking for best book or suitable book with you?

Freddie Straughter:

Nowadays reading books be a little more than want or need but also work as a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want have more knowledge just go with knowledge books but if you want truly feel happy read one along with theme for entertaining such as comic or novel. Often the Only the Ring Was Square is kind of book which is giving the reader erratic experience.

Joseph Chitwood:

People live in this new day time of lifestyle always try and and must have the time or they will get great deal of stress from both daily life and work. So , once we ask do people have extra time, we will say absolutely without a doubt. People is human not really a huge robot. Then we request again, what kind of activity are you experiencing when the spare time coming to you of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the particular book you have read is usually Only the Ring Was Square.
