Orthodox Pastoral Service Kyprian Kern

Nearly fifty years ago, the Eastern Orthodox monk and theologian, Archimandrite Kyprian Kern, explored pertinent issues regarding pastoral ministry. Kern's writings on clericalism and problems with the abuse of power and authority in the Church, for example, are as fresh today as when they were first written. Kern is probably the least known among Orthodox theologians in the West; however, his voice is now being heard for the first time in English and hopefully will inspire and encourage a new generation of clergy and laity who seek to better understand ministry in an Orthodox Christian context. Orthodox Pastoral Service is a collection of lecture notes from Kern's classes in pastoral ministry. In this book, Kern deals with important issues such as clericalism, the importance of the Eucharist for the life of the priest, and emphasis on the intellectual, spiritual, and personal preparation for the priesthood. Finally, one could look at this book as a historical document. On this level, Kern has left us with a detailed exposition of pastoral ministry in 19th century Russia.
