1889: an age of industrial revolution and sexual frustration. Isabelle is a lonely orphan, reprimanded at every turn by her strict matron. George is an inventor on the cusp of a brilliant discovery. Together they find love, but in an age of violent mechanization and military secrets, can their passion survive?

After the smash success of CHESTER 5000's first volume (the tale of a Victorian woman and her robot lover), beloved webcartoonist Jess Fink returns with another triumphant story of boundary-breaking love, sex, and technology. Discover the origins of your favorite characters along with all-new thrills. All the drama and adventure of the silent film era is here, enlivened with modern whimsy and erotic charm.
