What do a gun-wielding thief from the ghetto, an uptight Asian genius, a deeply religious Amish farm boy, and a disturbed, suicidal practitioner of the dark arts all have in common? They all are transported thousands of years back in time to Early Earth. Once there, they train with powerful element wielders, learn to ride dinosaurs, feast on high branches with tree-dwelling giants, come face-to-snout with a horrifying dragon, and encounter the most powerful weapon in all the earth.

Explore an exotic world with the unlikely heroes of Early Earth Book 2: Coming out of Darkness. Join Tyrone Hughes, Fong Chow, Jeremiah Yoder, and Eileen Bishop-four young people who would have never found themselves together in other circumstances-on an extraordinary journey back in time to an unrecognizable Earth. With their lives in peril, they realize they must work together to rescue the world from a demonic enemy far more sinister than they can imagine. And if they fail, not only will they never get to go home, but the lives of millions will be lost.
