Lisa is the most beautiful and intriguing woman Tom has ever seen. He knows he has to overcome his shyness and ask her out. As Tom and Lisa get to know one another, and begin to develop strong feelings for each other, he realizes he must tell her about his different desires. Lisa is uncertain as she learns that Tom wishes to submit to her, but together they begin to explore Tom's submission, and her dominance. This is the powerfully romantic, strongly passionate, and titillatingly kinky story of Lisa and Tom's journey of discovery as they enter into a loving power exchange relationship.
