Population and Political Theory (PPAS - Philosophy, Politics & Society)

Population and Political Theory (PPAS - Philosophy, Politics & Society)

Part of the acclaimed *Politics and Society* series, *Population and Political Theory* brings together leading thinkers in the fields of philosophy, political science, economics, and social policy to address issues at the convergence of population policy and political theory.

- Offers a single-volume, systematic overview of philosophical issues relating to population
- Represents a unique merging of discussions of population policy with political theory
- Broad in scope, the diverse discussions will appeal to political philosophers, population specialists, and public policy makers
