The Air Force Wife Handbook: A Complete Social Guide Ann Crossley

The Air Force Wife Handbook is written for a very special group of women. Air Force wives are incredibly diverse, yet held together by an invisible bond. Part of this bond, the "glue" that holds these individuals together and creates unity out of this diversity, can be found in their manners and daily courtesies. These may become so routine that they're scarcely thought about; nevertheless, they are an important part of life with the Air Force. This book is a guide to those courtesies, often referred to as "military manners." What Others Are Saying: "A wonderful job! This book takes social situations which can be puzzling and often overwhelming in both Air Force and civilian life and offers clear and helpful guidance." Lieutenant's Wife "Great reading for everyone, not just spouses. Every NCO in the Air Force-especially senior NCOs, should read this book. Senior Enlisted Advisor's Wife "Your book is easy to read-easy to understand and easy to follow...etiquette that just makes good sense. Air Force wives who read this good book will feel at ease being a military wife." Major Air Commander's Wife
