Czech Suite, Op.39 / B.93: Study score

Antonin Dvorak

Czech Suite, Op.39 / B.93: Study score Antonin Dvorak

Composed rapidly during April of 1879 in the wake of his success with the two serenades (Opp.22 and 44), Dvorak this time incorporated Czech folk dances into his new work, which was to be for full orchestra. The term serenade, then more often associated with chamber or ensemble pieces (the Opp.22 and 44 were for strings and winds respectively) didn't quite fit and the new piece was designated the Czech Suite. It received its premiere at the Provisional Theatre in Prague on May 16, 1879 with the theatre orchestra conducted by Adolf Cech, with Dvorak conducting it himself the next year to raise funds for the construction of the National Theatre. This new study score is a digitally enhanced reissue of the full score first published in 1955 by the Czech State Publishers as part of the Dvorak collected works, edited by Otakar Sourek. Unlike so many of the on-demand scores now available, this one comes with all the pages and the images have been thoroughly checked to make sure it is readable. As with all PLP scores a percentage of each sale is donated to the amazing online archive of free music scores and recordings, IMSLP - Petrucci Music Library.
