Copper Ridge, Oregon's favorite bachelor is about to meet his match

If the devil wore flannel, he'd look like Ace Thompson. He's gruff. Opinionated. Infernally hot. The last person that Sierra West wants to ask for a bartending job—not that she has a choice. Ever since discovering that her "perfect" family is built on a lie, Sierra has been determined to make it on her own. Resisting her new boss should be easy when they're always bickering. Until one night, the squabbling stops...and something far more dangerous takes over.

Ace has a personal policy against messing around with staff—or with spoiled rich girls. But there's a steel backbone beneath Sierra's silver-spoon upbringing. She's tougher than he thought, and so much more tempting. Enough to make him want to break all his rules, even if it means risking his heart...
