#### **Lola Behrendt:**

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Orthodontics: practice and technics can make you experience more interested to read.
