Frank Cole, bankrupt businessman and sometime sleuth, has taken a second job with the Midnight Taxi Service in Exile, Florida, when one of the drivers tells him about a teenage boy who hailed his cab near the site of a police drug bust the night before. It doesn't sound like much at first, but the driver disappears just as people start coming by the cabstand inquiring after the mysterious passenger.

First there is the private investigator from Atlanta, who seems genuine but knows the kid by the wrong name. Then there are the two bounty hunters from Mobile, who have the right name but are wrong in every other way. And finally there is the kid's girlfriend, a blond drifter who never leaves a fingerprint.

As if that all weren't enough to ruin Frank's night job, a body turns up holding a Midnight Taxi Service roadmap. And once again Frank Cole has to find the answers without even knowing the questions.

In this entertaining sequel to his first novel, Vincent H. O'Neil takes his readers on a dark Florida taxi ride with his likable sleuth.
