The Daintree breeds survivors, those who can weather the storms, heat and floods that come hand-in-hand with its beauty. Doctor Emma Porter is one such survivor, dedicated to her patients and to preserving this precious land where she has made a home.

Emma's quiet life is disrupted when Doctor Jeremy Langford starts working at the hospital, bringing back painful memories: Jeremy was her first love and embodies all that she left behind in Sydney. Jeremy has demons of his own, however, and the tight-knit community of Dalrymple seems to promise the peace he has been looking for.

But while some come to the Daintree to find shelter, others are here to exploit the rainforest's riches. And they will stop at nothing to get their hands on its bounty.
