The old gods are dead. Burning and crumbling, the divine realm dropped from the sky and smashed into the world like a vengeful star. The earth was plunged into darkness. Hope shriveled. Life has become cheap, brutal, and short. But from the ashes of this catastrophe, you can awaken your own divine spark. Claim a dominion; declare yourself the god of War, of the Hunt, of Winter, of Fire, or of the realm of your choice. And if you can complete your divine labors, fulfill prophecy, and throw down the despots that rose in place of the fallen gods, you might redeem a world fallen into evil. You might truly become a god!
