Have you heard about the old lady who swallowed a fly? That is just a little part of this story, for the truth is, she does not just swallow a mere little bug, but a whole lot more of creatures many will think will not fit in an old lady's mouth--but yes, they do.

Does the old lady die? Many think so, but no, she does not. In a delightfully crafted tale, complete with rhythm and rhyme and a happier ending children of all ages will enjoy, Marty Smedes unveils the true story of why the old lady survives-as well as the fly and other creatures she swallowed.
