“Thanks to its wicked style and pacing, *Mule* lets me forget I’m reading serious literature while I follow its terrifying story into the land of the all-American damned.” — Walter Kirn, author of *Up in the Air*

“*Mule* is swift, taut, and relentless, both a rip-roaring drug tale and a fascinating portrait of a decent human being whose morals slowly disintegrate under unbearable financial strain.” — Lauren Groff, author of *The Monsters of Templeton*

James and Kate are golden children of the late twentieth century, flush with opportunity. But an economic downturn and an unexpected pregnancy send them searching for a way to make do. A friend in California’s Siskiyou County grows prime-grade marijuana; if James transports just one load from Cali to Florida, he’ll pull down enough cash to survive for months. And so begins the life of a mule.

A page-turning, Zeitgeist-capturing novel that plunges us into the criminal underworld with little chance to take a breath, *Mule* is about young people trying to make do in a moment when the American Dream they never had to believe in — because it was handed to them, fully wrapped and ready to go at the takeout window — suddenly vanishes from the menu.

“With adrenaline-infused sentences and a seat-gripping story line, *Mule* is a novel that illuminates contemporary American desperation, both its dangerous precipices and its thrilling, overwhelming freedom.” — Dean Bakopoulos, author of *My American Unhappiness*
