Dominic Granville needs a wife—whether he wants one or not! And governess Serena Somerton intends to find one for him. A marriage of convenience would provide the wealthy widower's five children with a mother's tender care. And yet none of Dominic's prospective brides can meet Serena's increasingly high standards.

Unconventional, certainly. Outspoken, to be sure. Even so, Miss Somerton's quirks can't curb Dominic's growing interest in the spirited young woman. After his wife's death, Dominic was sure he couldn't love again. But faced with the prospect of losing Serena to another, one fact becomes clear. His imperfect governess could be his ideal wife.
