## **Watercolor: Painting Smart** Al Stine

As an artist, you see the world a little differently. And learning to translate your visions, the smart way, into exciting watercolor paintings is what this book is all about. The idea of painting smart is based on asking yourself some important questions before putting paint on paper. Once you've answered these questions, you begin painting smart, making conscious decisions based on the principles of design, color theory, and sound technique. You don't let luck answer the questions. Whether you're a beginner, an advanced painter, or somewhere in between, you'll find ways to grow as an artist in the pages of this book.
