They Answered the Call: Nine Canadians Go to War Fred Bagley

During the 20th Century, Canada participated significantly in three international conflicts: The First and Second World Wars and the Korean War. In each of these conflicts, young Canadians responded voluntarily to their country's call to arms. *They Answered the Call* features the wartime biographies of nine such Canadians, all of whom had different personal reasons for answering the call, and all of whom had their lives changed by the experience. This well-researched collection from author Fred Bagley features interviews, photographs, letters, and more.
