Lawless Hearts [Menage Amour: Erotic Western Menage a Trois Romance, M/F/M] Scharlie Thorn is the local schoolteacher of Rock Ridge, Missouri, who everyone looks at with pity. When she was fourteen, her stepfather attacked her, scarring her face. Her brother, Harlow, accidentally killed him while defending Scharlie, forcing him to run from the law. Ten years later, she is visited by two handsome men, Cassidy Brooks and Garrett Webb, who come to tell her that Harlow has been murdered. But the man who killed Harlow is now after Scharlie. As the two men try to keep Scharlie safe, she learns that they are outlaws. And worse, Harlow was an outlaw, too. Scharlie has decisions to make. Does she trust Cassidy and Garrett when they tell her they love her? Or will she hand them over to the law? More than her life is at stake. Her heart is on the line, too. Note: There is no sexual relationship or touching for titillation between or among the men.  
\*\* In a Chord [Menage Amour: Erotic Menage a Trois Romance, M/M/F with M/M, HEA] Keaton Gates and Ashland Lance are lovers and musicians in a band called Endymion. Keaton believes there is something missing, not only from the sound of their music, but also in their lives. When he hears Momo Willows singing Endymion's signature song, he knows she's the muse he's been waiting for. At first, Ash Lance is jealous of the new girl in Keaton's life until he meets her. Momo is unlike anyone he's ever met, and they soon discover that they connect on many levels. But he's reluctant to take her away from Keaton, just as Momo refuses to come between them. Keaton is quick to assure them he wants all three of them to learn to be in a menage relationship, but as they learn how to live and love together, another threat is moving between them, threatening to take Momo away...forever. \*\* A Siren Erotic Romance
