## Grasses of a Thousand Colors Wallace Shawn

"Brilliantly upsetting and endearing . . . riveting."—*Newsday*

This poetic epic about a scientist, his wife, and his two mistresses as they fend for their lives in a world savagely close to extinction raises issues of redemption, forgiveness, and responsibility. *Grasses of a Thousand Colors* is a troubling, erotic adventure that received high critical praise for its first New York City revival in 2013, starring Wallace Shawn.

**Wallace Shawn** is a noted actor and writer. His often politically charged and controversial plays include *The Fever*, *Aunt Dan and Lemon*, *Marie and Bruce*, and *The Designated Mourner*. With André Gregory, he co-wrote *My Dinner with André*, in which he also starred.
