Moms Move Mountains: Special Education Survival Skills for Parents Susan Magers, Donna Spencer

When a child has special learning needs, making sure the school experience is successful can become a daily struggle. "Moms Move Mountains" was written to help prepare parents to act as their child's advocate and keep their sanity in the process. You will discover:

- How to be an active member of your child's individualized education plan (IEP) team,
- How to build relationships with school staff, - How to tackle problems while keeping your emotions in check,
- The importance of organizing and maintaining your child's education records,
- All the steps to take to plan for your child's successful future, and more.
