Thirteen-year-old Raspberry Hill is always scheming about ways to make money. She's starved for the green stuff, and will do just about anything legal to get it—wash cars, sell rotten candy, skip lunch, and clean houses. She is obsessed with making money, having money, smelling money, and touching money. Raspberry is determined that she and her momma will never be homeless again. When they are approved for a Section 8 move to a nice house in Pecan Landings, Raspberry thinks things are looking up. But after their apartment in the projects is robbed, and protest by the rich folks in Pecan Landings force them out of their new house, Raspberry must do everything in her power to keep her world from crumbling.
