Who Cares?! The Unique Teaching of Ramesh S. Balsekar Ramesh S. Balsekar

Consciousness is all there is. So 'who' is to know or seek 'what'? All there is is the impersonal functioning of Consciousness, or God, reflecting within Itself the totality of manifestation. Live life making decisions and accepting the consequences as if you have free will knowing it is Consciousness seeking, doing, living deciding... Ramesh Balsekar is an awakened sage whose long life has been devoted to Ramana Maharshi and whose final Guru was Nisargadatta Maharaj. He perfectly reflects both East and West-born and raised in Bombay, India, thinking and speaking in English, student of Sanskrit and translator of the Bhagavad Gita, intimately familiar with the Taoist and Chan classics as well as the new paradigm (Consciousness is all there is) which has emerged from quantum mechanics. Poignantly clear and precise and delightfully, humorous, his teaching makes life simple.
