Painting Little Landscapes: Small-scale Watercolors of the Great Outdoors Zoltan Szabo

Internationally acclaimed watercolorist and art instructor Zoltan Szabo demonstrates how to create charming little watercolor landscapes in this instructive volume. Taking readers step-by-step through his finished works, Szabo shows how to take advantage of the benefits offered by a small format (not exceeding 10" x 11"), which include spontaneity resulting from rapid drying and the textural effects granular pigments yield on a small surface. Szabo walks the reader through the creation of each painting, beginning with a reference photo and a pencil sketch and moves on to palette choices, pigment interactions, and brush techniques.

Painting Little Landscapes includes assignments, in addition to 180 full-color plates, to help watercolorists create their own miniature landscapes. Each of the seven chapters covers one aspect of nature in its various forms: water, mountains, trees, snow, rocks, skies and clouds, along with flowers and close-ups. Szabo invites artists to see nature in its finest detail and ingratiate themselves in the pleasure of small-scale painting. Learn from the best in this beautifully illustrated comprehensive guide to the magic of watercolor.

Zoltan Szabo was born in Hungary in 1928 and studied at the National Academy of Industrial Art in Budapest. He emigrated to Canada in 1949, and made a name for himself as one of Canada's foremost landscape painters. In addition to teaching workshops and seminars on watercolor painting, Szabo has exhibited his work in London, Canada, and the United States. Zoltan Szabo's paintings are found in public and private collections worldwide, including those of the prime ministers of Canada and Jamaica and in the National Gallery of Hungary. Other books by Zoltan Szabo include *Landscape Painting in Watercolor*, *Painting Nature's Hidden Treasures*, and *Zoltan Szabo Paints Landscapes*.

From reader reviews:

Douglas Dossett:

What do you about book? It is not important together with you? Or just adding material when you require something to explain what yours problem? How about your extra time? Or are you busy person? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have time? What did you do? Every person has many questions above. They have to answer that question mainly because just their can do in which. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need this Painting Little Landscapes: Small-scale Watercolors of the Great Outdoors to read.

Bradley Smith:

As people who live in often the modest era should be up-date about what going on or information even knowledge to make them keep up with the era which is always change and move forward. Some of you maybe can update themselves by studying books. It is a good choice for yourself but the problems coming to you actually is you don't know which one you should start with. This Painting Little Landscapes: Small-scale Watercolors of the Great Outdoors is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Olive Griffin:

Nowadays reading books are more than want or need but also turn into a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want get more knowledge just go with education books but if you want experience happy read one having theme for entertaining for example comic or novel. The Painting Little Landscapes: Small-scale Watercolors of the Great Outdoors is kind of book which is giving the reader erratic experience.

Cassandra Rosas:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Painting Little Landscapes: Small-scale Watercolors of the Great Outdoors can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these ebooks have than the others?
