Target Zero: A Life in Writing Eldridge Cleaver

Former Black Panther information minister Eldridge Cleaver was a complex man who inspired profound adulation, love, rage, and, among many, fear. *Target Zero* brings Cleaver's controversial story into focus through his own words. This book charts Cleaver's life through his writings: his quiet childhood, his youth spent in prison, his startling emergence as a Black Panther leader who became a "fugitive from justice" by the end of 1968, his seven-year exile, and his religious and political conversion following his return to the U.S. *Target Zero*, which brings together previously unpublished essays, short stories, letters, interviews, and poems, is the most significant collection of Eldridge Cleaver's writing since his bestselling book *Soul on Ice* (1968).
