**The View from the Cross: Cycle B Sermons for Lent/Easter Based on the Gospel Texts** John W. Clarke  
One of the enduring legacies of the Revised Common Lectionary is its ability to draw different parts of scripture together to form a coherent narrative, drawing congregations from around the world into the life-changing message of faith in Jesus Christ. Each element of the lectionary brings its own point of view into this message, giving us insights into its origins, the impact on its original hearers, as well as its relevance for our lives today. In the gospel message, we see the drama of Jesus' life and ministry and are challenged to join in it.

*The View from the Cross* brings us back to the central image of our faith, the death of Jesus on the cross followed by his victorious resurrection. Drawing on the gospel readings in the Lent and Easter seasons, Dr. Clarke offers a new perspective on the journey of Jesus to Jerusalem and ultimately to Golgotha and the cross. In examining the words and deeds of Christ during this season, we as the church of today can grow in our faith and set out to fulfill the plan God has for us today.

This collection of sermons is a valuable resource for:

- Sermon starters and illuminating illustrations
- Gaining a new homiletical perspective to the lectionary
- Offering a newer, deeper understanding and appreciation of scripture
- Using as a starter for adult Bible study groups or personal devotions

This sermon collection includes:

Expectations and a Crown  
The Gardens of Life  
Living a Joyful Life  
... and many more!
