Airstream Living Bruce Littlefield

The versatility of the sleek metallic gems of Airstream and other manufacturers has captured the imagination of a new generation. Paris Hilton used one to tour the country in *The Simple Life*. Designer Ralph Lauren owns four. **Airstream Living** explores these vehicles' many uses, from vacation travel to permanent residence, from home office to pool house, from on-set accommodation for movie stars to businesses like diners and stores.

Profiles of real-life owners reveal how they use their trailers to enhance their lifestyle, and vacationers will find advice on how to live well in their Airstreams. Inspirational photographs accompany advice on decorating interiors in styles that range from simple to opulent: retro chic, Ralph Lauren's Adirondack and Western themes, a seaside look for coastal touring, and much more. Practical advice covers everything from buying your first Airstream, to care and cleaning tips, to solutions for storage, and a directory provides a thorough listing of suppliers and websites.

For anyone who owns an Airstream, or is thinking about purchasing one, this book is a must-read for living life to the fullest with a land yacht.
