Children with Spina Bifida: A Parents' Guide (Special Needs Collection)

Children with Spina Bifida: A Parents' Guide (Special Needs Collection)

Parents of children with spina bifida require up-to-date information and empowering emotional support to meet the often intensive needs of their child. In one comprehensive volume, Children with Spina Bifida provides parents with both the facts and confidence to be proactive and positive about their child's condition and future.

Written by an expert team of doctors, nurses, therapists, educators, and parents, and designed to address common questions and concerns parents have about their child's condition and development, this parents' guide discusses: What is spina bifida? What causes spina bifida? Prenatal diagnosis Coping with your emotions Why is neurosurgery necessary? Urologic concerns Bowel management Orthopedic concerns Physical therapy, braces, and casts Childhood development Parenting your child with spina bifida Nurturing an emotionally healthy child Education Legal rights and insurance

Rounding out the book is a look toward the future with two inspiring chapters: one on adults with spina bifida, written by a physician with spina bifida; and the other by a young woman with spina bifida who writes about her journey toward independence.

From reader reviews:

Scott Roche:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information that can give you benefit in your life. Having book everyone in this world could share their idea. Publications can also inspire a lot of people. Lots of author can inspire their own reader with their story or perhaps their experience. Not only situation that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some research before they write with their book. One of them is this Children with Spina Bifida: A Parents' Guide (Special Needs Collection).

Olga Snider:

People live in this new day time of lifestyle always attempt to and must have the spare time or they will get large amount of stress from both way of life and work. So , if we ask do people have time, we will say absolutely of course. People is human not a robot. Then we consult again, what kind of activity are there when the spare time coming to you of course your answer will unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative within spending your spare time, the book you have read is actually Children with Spina Bifida: A Parents' Guide (Special Needs Collection).

Leslie Mickle:

Playing with family in the park, coming to see the sea world or hanging out with good friends is thing that usually you have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Children with Spina Bifida: A Parents' Guide (Special Needs Collection), you may enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh can occur its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

Dolores Mann:

This Children with Spina Bifida: A Parents' Guide (Special Needs Collection) is brand-new way for you who has fascination to look for some information because it relief your hunger associated with. Getting deeper you into it getting knowledge more you know or you who still having little bit of digest in reading this Children with Spina Bifida: A Parents' Guide (Special Needs Collection) can be the light food to suit your needs because the information inside this kind of book is easy to get by anyone. These books produce itself in the form that is reachable by anyone, yes I mean in the e-book type. People who think that in publication form make them feel drowsy even dizzy this guide is the answer. So there is absolutely no in reading a book especially this one. You can find what you are looking for. It should be here for you. So , don't miss the item!

Just read this e-book type for your better life and also knowledge.
