Digger Is a story about a wombat.

More specifically, it is a story by author and artist **Ursula Vernon** about a particularly no-nonsense wombat who finds herself stuck on the wrong end of a one-way tunnel in a strange land where nonsense seems to be the specialty. Now, with the help of a talking statue of a god, an outcast hyena, a shadow-being of indeterminate origin, and an oracular slug she seeks to find out where she is and how to go about getting back to her Warren.

It contains all the extra materials included in the individual volumes plus: a forward by Phil Foglio, a completely new story about Digger's travels, a (mostly) complete collection of Ursula's comments originally posted alongside the webcomic, and a color section of the original cover art and fan art.
