Looking through the pages of Fun Fabrics of the 50s will transport you back to the days of Beaver Cleaver shirt plaids, cowboy heroes flannel pajamas, early American rec room drapery, splashy lounge chair tropical blooms, housewives' duster florals, and festive south-of-the-border kitchen curtains. The decade's fascination with geometric shapes, bright colors and foreign motifs results in interesting, sometimes strange, combinations of design. For designers and 50s fanatics alike, this full-color book offers hundreds of fabric styles that reflect an innocent era.
