Drums along the Mohawk Walter Dumaux Edmonds

This is the story of the forgotten pioneers of the Mohawk Valley during the Revolutionary War. Here Gilbert Martin and his young wife struggled and lived and hoped. Combating hardships almost too great to endure, they helped give to America a legend that still stirs the heart. In the midst of love and hate, life and death, danger and disaster, they stuck to the acres that were theirs and fought a war without ever quite understanding it. Drums along the Mohawk has been an American classic since its original publication.
