household manual of psychiatry

DR. deja suthikant

household manual of psychiatry DR. deja suthikant

During my 38 years as being a psychiatrist I found that I cannot be an effective psychiatrist as being a conventional one. Human mind is too complicated and sophisticated to be fully described in a textbook. On top of that, every mind is unique just like no different human's fingerprints are alike. Metaphorically speaking, a human leaves his finger print marks on the world in his essence and being.
