Electra – the beautiful, unflappable girlfriend of teen super Kid Sensation – headlines her own adventure for the first time. A foundling adopted and raised by the Alpha League (the world’s greatest superhero team), Electra has exhibited super powers since infancy. However, her past has remained a mystery for the most part, with those few people with any knowledge of her background being reluctant to talk. Refusing to remain ignorant of her own origins, Electra embarks on a fact-finding mission intent on discovering who she really is. However, in addition to providing more questions than answers, her investigation causes her to cross paths with a powerful group of supervillains, who see in her a means of furthering their goal of world domination. Finding herself in the crosshairs, Electra must now find a way to stop those seeking to exploit her unique talents for their own nefarious purposes. Because if she can’t, the world will pay a heavy price.
