Reviews

“Dr. Mircea Dologa picks up where Dr. Alan Andrews left off in his breakthrough studies of “pitchfork” pattern analysis. In his new book, the author has taken the interpretation and application of “pitchfork” patterns to an entirely new level. After studying Dr. Dologa’s well written and very well illustrated book I will never look at a chart the same way again. What Dr. Dologa has done with “pitchforks” is absolutely amazing. You’ve got to read it to believe it. Pitchforks patterns can provide so much practical and useful information that you will be referring to this book over and over. The book ends on a high note with an excellent chapter on Case Studies and Money Management. Traders will want to keep this powerful book handy for frequent reference. Highly recommended.”
