## **Since I Fell For You (New York Sullivans #2) (The Sullivans) (Volume 16)** Bella Andre

Suzanne Sullivan doesn't need a bodyguard. After all, she's one of the most successful digital security specialists in the world--so she can most certainly take care of herself despite the problems she's been running into lately. Unfortunately, her three brothers don't agree. So when Mr. Way-Too-Handsome shows up bound and determined to protect her, whether she wants him there or not, sparks definitely start to fly. Because she has absolutely no intention of falling for the bodyguard she never wanted in the first place...

Roman Huson has vowed to do whatever it takes to protect Suzanne Sullivan from harm. And her brothers would kill him for so much as looking at her the wrong way. The only problem is that he's never been hired to work for anyone so beautiful, or brilliant, before. Between trying to keep up with her--and working like hell to keep from kissing her breathless--he's up against the most difficult challenge of his life. Especially when it turns out that the passion, and connection, between them is hotter than anything he's ever known...

"Not since Nora Roberts has anyone been able to write a big family romance series with every book as good as the last. Bella Andre never disappoints." *Revolving Bookcase Reviews*

"The New York Sullivans are every bit as fantastic as their cousins." *Deanna on Goodreads*
