Teamwork (A Danny Roth Novel) (Volume 2) Ray Wenck

Road rage turns fatal when Danny Roth steps in to save his friend Tony from a deadly knife attack. His quick response proves fatal for the assailant, Denver Miller. Absolved of blame by the justice system, Danny is not so lucky with the Miller family who are intent on delivering a more decisive and permanent justice of their own. As Danny fights off the Miller's assassination attempts, he discovers the family's automotive business is a front for illegal activities, including theft and murder. To silence Danny, the Millers resort to kidnapping those who Danny holds dearest – his mother and his best friend Tony. Realizing the only way to save them is to sacrifice himself, Danny unites with Detective Morrisey and Tony's ex-special forces friends. In a confrontation that could become a fierce and lethal gunfight, Danny's only hope is his new team will be in time to save those he loves, even if it may be too late to save him.
