While swimming in the nude in the waters of the planet Posidon, MOONIE, the busty Starbabe who can live anywhere without life support, is taken captive by a gang of pirates and sold to a slave market. When Rangers attack the market, Moonie and her friends take the opportunity to shoot their way to freedom. But freedom can hold greater danger than slavery especially when her new mission, as a Ranger, is to take revenge on the slave city of Opuul. This is a newly revised edition--bolder and sexier.
