According to Vincent Bacote, Christians need to know how to follow Jesus in every area of life. In *The Spirit in Public Theology*, Bacote shows how the Dutch politician and church leader Abraham Kuyper lived a thoroughly Christian life. He then explains why Christians need to follow Kuyper by taking their faith into the public sphere. Identifying the characteristics of a true Christian worldview, Bacote demonstrates the need for a public theology that stresses engagement between the church and the world. *The Spirit in Public Theology* should be required reading for pastors, students, and all Christians who want to take their faith beyond the four walls of the Church.
