Captain Cook

Vanessa Collingridge

Captain Cook Vanessa Collingridge

Captain Cook was a man making two journeys, one public and one personal, and their success and ultimate cataclysmic failure are intertwined. By the time he "discovered" Australia, the mythology around Cook had set fast. Its strength endured the fractures of an unheroic descent and violent death. Almost 100 years later another man catches a boat to Australia. Like Cook, George Collingridge, aristocrat and artist, is seeking adventure - and like Cook, it proved to be his undoing. His journey leads him to old maps of early explorers, secret tales of hidden lands and buried treasure. It leads him to the real discoverers of Australia - the Portuguese. He stakes his reputation on the claim and loses it; his life is ruined by obsession. A hundred years later, Vanessa Collingridge is searching for books on her hero Captain Cook in a university library. She discovers the name of a distant cousin, George Collingridge, in a dusty card index. Thus a new journey of discovery begins - in the footsteps of her hero and his nemesis. The result is this biography which tells how passion and betrayal unite two men across 100 years and 10,000 miles. It sets Captain Cook, hero of conflicting myths, in the context of his times, his personality, his guiding philosophy and his extraordinary legacy.

From reader reviews:

Alice Christensen:

Reading a guide can be one of a lot of action that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people fantastic. First reading a publication will give you a lot of new info. When you read a publication you will get new information due to the fact book is one of many ways to share the information as well as their idea. Second, looking at a book will make you actually more imaginative. When you looking at a book especially fictional book the author will bring one to imagine the story how the personas do it anything. Third, you can share your knowledge to some others. When you read this Captain Cook, it is possible to tells your family, friends as well as soon about yours e-book. Your knowledge can inspire different ones, make them reading a guide.

Lou Bryant:

Spent a free time and energy to be fun activity to perform! A lot of people spent their free time with their family, or all their friends. Usually they doing activity like watching television, planning to beach, or picnic inside park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? May be reading a book can be option to fill your free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to attempt look for book, may be the reserve untitled Captain Cook can be good book to read. May be it is usually best activity to you.

Larry Morris:

In this particular era which is the greater individual or who has ability to do something more are more precious than other. Do you want to become among it? It is just simple method to have that. What you must do is just spending your time almost no but quite enough to possess a look at some books. One of many books in the top list in your reading list is Captain Cook. This book which can be qualified as The Hungry Inclines can get you closer in turning out to be precious person. By looking way up and review this reserve you can get many advantages.

Jennifer Bell:

As a pupil exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Captain Cook can make you feel more interested to read.
