## **The Story of Holy Island** Kate Tristram

Kate Tristram is a well-known island resident whose talks on the history of Lindisfarne hold visitors spellbound. A historian and a priest in the Church of England, she is ideally qualified to tell the remarkable story of this captivating place. From its misty beginnings as part of the mainland in the Stone Age right up to the present day, this popular history covers: its formation as an island, the Roman and Anglo-Saxon eras, the influence of Columba and Iona, Lindisfarne's own apostle, Aidan, the making of the Lindisfarne Gospels, Cuthbert, Ceadd, Chad and Aidan's other followers, Hilda and the community at Whitby, Bede and the monastic tradition, the coming of the Vikings, the Benedictine years, the dissolution of the monasteries, and more.

### From reader reviews:

#### **Kevin Ostby:**

What do you concentrate on book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Only you can be answered for that concern above. Every person has distinct personality and hobby per other. Don't to be compelled someone or something that they don't want do that. You must know how great in addition to important the book The Story of Holy Island. All type of book would you see on many solutions. You can look for the internet methods or other social media.

#### **Cynthia Briscoe:**

Reading a book tends to be new life style in this particular era globalization. With reading through you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Plenty of author can inspire their very own reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some investigation before they write for their book. One of them is this The Story of Holy Island.

#### **Eric Baur:**

People live in this new morning of lifestyle always make an effort to and must have the free time or they will get lots of stress from both lifestyle and work. So , once we ask do people have time, we will say absolutely of course. People is human not really a huge robot.
