Wizards and Gunslingers Trevor Banister

Fantasy meets the Wild West in this 200 page, stand alone game of fantasy adventures in the frontier world of Westrue. In Wizards & Gunslingers, Westrue is a land in which the laws are yet to be written. This is a place where might makes right and the quickest gun or the sharpest sword can make its wielder a god. From the hot deserts of the east to the strange unexplored forests of the west, the continent of Westrue offers adventurers the opportunity to battle powerful creatures, discover awesome weapons and magic and make a name all at the same time in a world that smiles upon heroes and kicks dirt in the faces of those who fail. Wizards & Gunslingers welcomes to a world where gun-toting lawmen battle side-by-side with wizards and warriors in a desolate unexplored land newly discovered by humans. The place is called Westrue and it's your duty to carve your niche however you see fit. So you want to be a gunfighter, a wizard, a thief? Do you want to be an evil villain or a hero who fights for right? Do you want to gamble and cause a ruckus while you make your fortune or do you want to be a business man that schemes and connives to become wealthy and powerful? Do you want to rob a train, blast open a bank, bring criminals to justice or explore unmapped wilderness? Now you can. Do whatever you want in Wizards and Gunslingers. Wizards & Gunslingers contains all you need for beginning your campaign whether you are a player or a Game Master. Need weapons and magic, they live here. Need creatures and NPC's? They live here. Need realistic combat and an awesome skill system. They are here also. What if you get tired of the weapons, magic, NPC's or creatures contained in the book? No problem. You can create your own with our built in generators that enable you to let your imaginations soar. Whether you are looking for gaming scenarios, NPC's, creatures, magic, weapons, armor, or maps (plus much more) within this book you will find your prize. There exist no limits to what you can imagine. Whether you be a wizard or a gunslinger, come to the land of Westrue for a world of adventure!

From reader reviews:

Patricia Vasquez:

What do you think about book? It is just for students since they're still students or the item for all people in the world, what best subject for that? Just you can be answered for that concern above. Every person has various personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book Wizards and Gunslingers. All type of book could you see on many sources. You can look for the internet options or other social media.

James Brecht:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Wizards and Gunslingers, you may enjoy both. It is good combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't obtain it, oh come on its identified as reading friends.

Marlene Childs:

Do you have something that you enjoy such as book? The e-book lovers usually prefer to pick book like comic, small story and the biggest the first is novel. Now, why not attempting Wizards and Gunslingers that give your satisfaction preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the opportunity for people to know world a great deal better then how they react toward the world. It can't be claimed constantly that reading addiction only for the geeky man but for all of you who wants to be success person. So , for all you who want to start examining as your good habit, you could pick Wizards and Gunslingers become your current starter.

Molly Edwards:

Reserve is one of source of understanding. We can add our information from it. Not only for students but also native or citizen have to have book to know the change information of year in order to year. As we know those books have many advantages. Beside most of us add our knowledge, can bring us to around the world. With the book Wizards and Gunslingers we can take more advantage. Don't one to be creative people? To be creative person must choose to read a book. Merely choose the best book that acceptable with your aim. Don't be doubt to change your life by this book Wizards and Gunslingers. You can more inviting than now.
