**Geek Girl** Holly Smale

[Young Adult Fiction (Ages 12-17)]

[Read by Katey Sobey]

Harriet Manners is a geek.

As if the Oxford English Dictionary on her nightstand isn't enough of a clue, there are also the weird looks she gets at school, and the way no one appreciates her extensive trivia knowledge. So when her friend Nat drags her along to a fashion show and Harriet is accidentally discovered by a modeling agent, she leaps at the chance to reinvent herself.

Harriet isn't sure she'll ever learn to navigate the terrifying world of high fashion - at least not without falling off a runway and embarrassing herself in front of her gorgeous new costar, Nick. But ready or not, she's about to learn whether she has what it takes to transform from geek to chic.

Geek + runway = a runaway hit! *Geek Girl* is the first book in a hilarious, internationally bestselling series that's perfect for fans of Louise Rennison and *The Princess Diaries*.
