**Madame President** Marguerite Williams, Jon Guttman

On the night of her fourth State of the Union Address, President Kate MacIntyre is the target of an assassination attempt that claims the life of her Vice-President and sets in motion the ultimate crime of opportunity. What begins with a Hezbollah plot quickly becomes a heart-stopping race against time as the President's inner circle fights to protect her from enemies both known and unknown. From Beirut to New York, and from Mexico City to south Texas, this taut, tense political drama unfolds across a broad landscape of politics and ideology as it moves breathlessly toward its final, startling revelation.
